PROFESSIONAL SUMMARY

Detail-oriented B.Tech student with a strong foundation in software development and testing. Eager to apply programming skills, analytical thinking, and problem-solving abilities in a dynamic environment. Seeking an opportunity to grow within a company that values continuous learning and technical excellence.

EDUCATION

Galgotias University

Bachelor of Technology in Computer Science
CGPA: 8.33/10

Greater Noida, Uttar Pradesh

October 2021 – July 2025

EXPERIENCE

Intern

Infosys Limited

June 2024 – July 2024

Mysore, Karnataka

- Collaborated with a 10-member team to develop a Library Management System (LMS). Planned and implemented user-friendly UI/UX interfaces to enhance the user experience.
- Gained valuable experience in teamwork, project management, and agile development practices. Worked closely with the team to integrate front-end designs with back-end systems.

PROJECTS

Care-Paws (Cat Care App for iOS) | *Swift Story-board, iOS Development, Machine Learning* January 2024 – May 2024

- Developed an intuitive iOS app designed to assist new cat owners in managing the care of their pets.
- The app includes features such as feeding and grooming schedules, health tracking, vaccination reminders, and vet appointment notifications.

Library Management System | *iOS, Swift UI, Jira, Team Management*

June 2024 – July 2024

- Developed responsive and dynamic frontend components using XCode, Swift UI, Firebase.
- Created and implemented user-friendly UI/UX interfaces to enhance the overall user experience.
